Breakfast with Dan van Holst Pellekaan MP

Shadow Minister for Energy and Mining

Tuesday 2 May 2017

Dan van Holst Pellekaan MP started out doing labouring and construction work, later playing four seasons in the National Basketball League, supporting himself while completing a Bachelor of Economics.

From there he worked with BP Australia for ten years, resigning from BP to go into private enterprise.

Dan was the working partner at Spud's Roadhouse at Pimba, where he lived for seven years and in that time built the business up to include others at Glendambo, Marla and Innamincka.

Dan was elected as the member for Stuart in March 2010 and was promoted to the Shadow Cabinet in December 2011.

We invite you to join us for breakfast when Dan will discuss his role as the Shadow Minister for Energy and Mining and the challenges he is currently facing.

Dan will share with our Young Professionals how State Government influences projects and funding in the built environment and how you can become involved in this process.

This is a great opportunity for YP's to quiz the Shadow Minister on issues such as:

- Where do you see mining and energy going in SA?
- What is the vision for future infrastructure related to the Mining and Energy sector?
- What changes would you like to see implemented?
