

2019 FutureNet Business Leaders Course

Sydney, New South Wales

EVERY SECOND THURSDAY FROM MARCH 7 TO OCTOBER 3 FROM 5:00PM TO 8:30PM

- Develop leadership, management, and collaboration skills
- Improve soft skills, communication, and confidence
- Fresh perspectives on workplace and industry challenges
- Access the latest industry thinking, knowledge and insights
- Create a career-long network of cross-industry relationships
- Leverage unique mentoring opportunities

Highly regarded across the industry, Consult Australia's FutureNet Business Leaders Course has been running annually for more than a decade, with its alumni in the public and private sector sought-after by employers and clients alike.

Through sixteen sessions delivered over eight months, the Course builds on existing personal strengths, develops new skills, and broadens networks.

Course participants also complete a multi-disciplinary team project supported by an accomplished industry mentor. The project takes participants out of their comfort-zone, and puts into practice the skills and knowledge developed through the course.

Winning project teams are selected based on both a public vote and their presentations to a panel of industry judges.

A once-in-a-career opportunity to reward and support your best employees, the Course targets built and natural environment professionals with 5 to 10 years of experience who are highly valued by their organisations and seen as future leaders.

Course cost:

- \$6,740 - Early Bird Registration (incl. GST) (until Friday 23 November 2018)
- \$7,700 - Full Registration (incl. GST)

To ensure maximum value, participation is strictly limited with registration to members of Consult Australia and non-members alike.

For more information contact nsw@consultaaustralia.com.au or call 02 8252 6708.

Topics

- Conflict Resolution
- Contract and Risk Management
- Creating a Personal Brand
- Effective Communications
