Inspiration for the proposal

- Maintaining the history and heritage of Liverpool
- Connecting with the Georges River and the surrounding natural environment
- Creating a liveable place through water sensitivity and embracing green infrastructure
- Catering for a diverse mix of cultural backgrounds in the existing Liverpool community

Team quotes

1. "Greenway connects people and places."
2. "Greenway is making Liverpool sustainable for future generations of our diverse population."
3. "Greenway links Liverpool to the new Western Sydney Airport, a gateway to the world."
4. "Georges River is Liverpool's greatest natural asset. Greenway acknowledges that Liverpool is a river city and invites residents to interact with and enjoy the river"
5. "Greenway contributes to the State Governments housing and employment objectives by delivering 6,500 new homes and up to 15,000 new jobs over the next 20 years"
6. "Gandangara Walkabout will form part of a network of safe and connected pedestrian and cycleways, reducing vehicle use and improving health outcomes for the community".
7. "Greenway will deliver world class job opportunities in the health and technology sector as well as drawing in people from surrounding areas to enjoy the community and sporting facilities. This will re-establish Liverpool as the hub of south west Sydney".
