

FutureNet New South Wales 2017 Sponsorship Opportunities

Since 2001 FutureNet, an initiative of Consult Australia has been helping future leaders involved in the built and natural environments develop the valuable networks and non-technical skills essential to success in today's competitive marketplace.

Targeting professionals with 3-10 years experience, FutureNet events help to develop and grow their networks, ensuring participants are informed and on the cutting edge of their industry. A programme of events in each city is self-led by hard working local committees, supported by Consult Australia.
